

TARGET NOTES

Guidelines: Let's imagine you need to define the level of importance of some event in a certain period of time. Write down the event to evaluate in the circle. Define the level of its importance in the middle circle using the words under the target. Then insert the reason why it's important in the third (outer) circle. Make sure to use the relevant time block (Past, Present, Future, Always).

Words to describe the level of importance:		Field for questions to determine importance:
basic	key	
critical	main	
crucial	major	
decisive	meaningful	
eminent	necessary	
essential	primary	
fundamental	prominent	
imperative	remarkable	
important	significant	
indispensable	substantial	
integral	urgent	
invaluable	vital
